

NASA Wallops Flight Facility Visitor Center

Rocket Launch Viewing Checklist

Use this checklist to prepare for your visit!

- ☐ Proper clothes for the weather
- ☐ Sun protection: Hat, sunscreen, sunglasses
- ☐ Insect Spray
- ☐ Folding or Camp Chairs (optional)
 - Bleacher seating is first come, first serve (fills up quickly)
- ☐ Snacks, Water and Non-Alcoholic Drinks
 - The Wallops Exchange Morale Association (WEMA) food concession is sometimes available.
- ☐ Binoculars
- ☐ Camera
- ☐ Flashlight or Headlamp for evening and night launches
- ☐ Activities
 - Launch windows can be long so make sure you bring something to keep yourself and or the little ones entertained.
- ☐ Anything else you can think of? Make your own list:

Please leave pets at home. We do **not** allow pets on the Visitor Center grounds on the day of a launch.

The launch date, time and viewing opportunities are subject to change. Launches can be affected by technical, mechanical, range operations, weather or other issues in advance or at the last minute.
